Help to preserve the historical significance of Oxnard by becoming a member of the OXNARD HERITAGE FOUNDATION today!

The Oxnard Brothers

The Oxnard Heritage Foundation, a 501 (c)(3) nonprofit organization, is working to preserve the historical significance of Oxnard by increasing community awareness of the cultural richness with which Oxnard citizens are entrusted, utilizing the resources of today to preserve the treasures of yesterday and improve the quality of our tomorrow.

Our vision of The Oxnard Heritage Foundation is that we are a community-supported historic preservation organization working to protect and preserve Oxnard's cultural heritage and architectural legacy. OHF's aim is to promote cultural awareness and to encourage economic growth that revitalizes our communities by connecting the past with the present to inform our shared future. OHF seeks to unite community leaders, business people, historians, teachers, and preservationists in a coalition approach to historic education and preservation advocacy through:

- **AWARENESS**
  Educational programs, tours, lectures and workshops on history, architecture and the benefits of historic preservation.
- **ADVOCACY**
  Advocating to save endangered buildings and developing alternative strategies to promote historic preservation including purchasing neglected properties and returning them to productive use.
- **ASSISTANCE**
  Helping building owners to restore their historic properties with consultation and referral services and supporting neighborhood and commercial revitalization.
